## **GENERAL CONDITIONS:**

### **Registration:**

The Society may only accept entries for cats which are registered with a recognised Control body. Domestic Exhibits and Companion Cats are exempt from registration.

**Entry Fees:** All Entry Fees must be paid at the time of entry..

### **Veterinary examination:**

A qualified Veterinary Surgeon shall examine each exhibit. He shall refuse to allow any cat to enter the exhibition if, in his opinion, it is suffering from any contagious or infectious disease or has external parasites, or which has been treated or prepared for exhibition in contravention of the rules and regulations of the Royal Hobart Show and the CCC(Inc) . His decision in this regard shall be final. Should the Veterinary Surgeon reject one of an exhibitors exhibits for reasons of contagious or infectious disease or evidence of external parasites, all that exhibitors entries may be rejected at the discretion of the Veterinary Surgeon. No person may exhibit a cat which has been exposed to the risk of any infectious or contagious disease during the period dating at least 12 days prior to the exhibition. It is expected that all exhibits should have appropriate immunisations prior to the show.

### **Benching:**

Curtains (coloured/white) are allowed during judging and, if required, a hot water bottle completely enclosed. Litter trays to be preferably plastic and rectangular in shape. No foodstuffs are allowed in cages before completion of judging. Cages must be kept clean by exhibitors. One small toy per cage is permissible.

### **Withdrawal of entries:**

When a person withdraws a cat entered in the Royal Hobart Show, they shall be required at the time of withdrawal to furnish a written explanation to the Show Secretary, or persons running the show, which shall be forwarded to the CCC (INC). Where written explanation is not produced, or the RAST and/or the CCC (INC) considers the explanation to be unsatisfactory, the CCC (INC) may, at its discretion, request a Veterinary Certificate of clearance within 7 days, naming the withdrawn cat(s). Where a certificate is requested by the CCC (INC) and not produced within 7 days, the person(s) concerned shall be considered as being in enforced quarantine until such time as the certificate is produced.

### **Judging:**

**29.7 At the time of judging no person shall be allowed in the judging area save the judges and the properly appointed officials and stewards.**

A judge's decision on the merit of the exhibit shall be final unless such decision is contrary to the rules and regulations of the RAST and the CCC (Inc). Judges are empowered and instructed not to award any prize, challenge or award of merit certificate to any exhibit which they consider is not of sufficient merit. Any cat which cannot be taken from its cage by the judge or steward will not be judged.

### **Owner's risk:**

The RAST will be most anxious for the care and safety of cats sent for exhibition, or any other property entrusted to it, but it must be understood distinctly by exhibitors and all other persons, that the RAST will not be responsible for the loss, detention of or damage to any cat or property whether arising from accident, or other cause whatsoever, or from any act or omission of itself, its officers, agents servants or others

**Junior Exhibitor of the Year:** All exhibitors under 18 years of age are automatically eligible. Points awarded are – 5 for attending the show plus 1 for each exhibit entered.

### **Exhibits claws:**

**Exhibitors Please note the following CCC (INC) Rule**

CCC (INC) Rule 28.4 All Exhibits must have **clipped claws**, clean ears and coats free from pests. Strict attention must be paid to this rule. Claws are not to be clipped within the show hall.

**THIS RULE WILL BE ENFORCED**

# Breeders Choice™ RECYCLED PAPER PRODUCT ENVIRONMENTALLY FRIENDLY

## FOR YOU, YOUR CAT & THE ENVIRONMENT

### A cleaner & healthier environment

- Our uniquely formulated pellets are virtually dust-free
  - this means less tracking, scattering and spread
  - this also means minimal respiratory irritants (for you and your cat)
- Used pellets don't stick to the scoop or litter tray
  - so it's easier & faster to keep clean.
- The natural absorption qualities of our recycled paper product helps to keep the area dry.
- The natural odour absorption qualities of our recycled paper product minimises odour without the use of chemicals or additives.

### Long-lasting with minimal waste

- The naturally high absorption qualities of paper means our product is long-lasting.
- Our uniquely formulated pellets have minimal breakdown qualities & retain their shape even when wet.
- Our pellets are virtually dust-free, which means less waste.

### Easy to use, clean-up & dispose

- Our uniquely formulated pellets are virtually dust-free
  - this means less tracking, scattering and spread.
- Used pellets don't stick to the scoop or litter tray
  - so it's easier & faster to keep clean.
- Our lightweight product is easier to lift, carry & use.
- Our pouring spout makes it easier to pour & gives more control.
- Our biodegradable product can be easily used as surface mulch in gardens or disposed for decomposition at a managed landfill facility.
- Our packaging can be recycled with other paper or can be composted or used as an environment-friendly bio-fuel.

### Recycled products can save landfill space, save energy, reduce pollution & use less resources than virgin material

- Our product is made from >99% recycled paper & utilises no virgin material.
- After use, our >99% biodegradable product is ideal surface mulch, which (especially when mixed with other organic material) can help suppress weed growth, retain water, help protect plants from frost & reduce soil erosion.
- Our paper packaging (including print inks) is recyclable or can be composted (it's biodegradable) or used as an environment-friendly bio-fuel.

### No bleaches or additives

- Our patented process is Process Chlorine Free (PCF) which means it utilises no bleaches (including chlorine, oxygen-based & elemental bleaching).
- Our product utilises the natural absorption qualities of paper & has no coating, bulking, anti-clumping, absorbent gels or scent additives (>99% no additives).

### Better transport efficiency & reduced transport emissions

- Our product is lighter than clay, chemical & wood alternatives.
- Lightweight products result in lower fuel consumption (before & after purchase) & lower emissions per km (before & after purchase).
