ABOUT ME

To me, good design realises the potential of any space. It involves considered choices teamed with a sense of bravery. As a designer, I have a strong understanding of how interiors come together, from the architecture of a space to the furniture and soft furnishings that fill it. Colour palette, material choice and finishes are all equally important.

EDUCATION

NEW YOUR INSTITUTE OF TECHNOLOGY

BACHELOR OF INTERIOR DESIGN (2012-2015)

Excellent in home design coursework. Winner, ASID Student Portfolio Award 2009. Student Director, Freedom by Design program 2009-2011. Scored in the top 1% in the NCIDQ exam. Commended for design of cost-saving, space-saving storage solutions.

SST COLLEGE
